JATIN VERMA

Computer Science Engineering Student | Web Developer

Ambala, Haryana | jatinvermaa.29@gmail.com | +91 9817816331

linkedin.com/in/jatin-v-5188b2290 | github.com/JatinVerma29

OBJECTIVE

Computer Science undergraduate with hands-on experience in web development, Python, Django, and MySQL, along with internship exposure to cybersecurity fundamentals. Seeking opportunities to apply problem-solving skills and build scalable, secure web applications.

EDUCATION

Bachelor of Technology (B.Tech) – Computer Science & Engineering *2023 – 2027 (Expected)*

Maharishi Markandeshwar (Deemed to be University), Mullana, Haryana

CGPA: 7.43 (till 5th Semester) | Backlogs: None

TECHNICAL SKILLS

Languages	Python, Java, JavaScript
Web Technologies	HTML, CSS, React.js, Tailwind CSS
Backend & Database	Django, MySQL
Cybersecurity	Web security fundamentals, basic vulnerability assessment
Tools	Git, GitHub, VS Code

INTERNSHIP EXPERIENCE

Web Development Intern *Jan 2025 – Feb 2025*

CodSoft (Virtual Internship)

- Completed a 4-week virtual web development program, building and refining practical web applications
- Developed responsive user interfaces using HTML, CSS, and JavaScript
- Integrated frontend components with backend logic, improving usability and cross-device compatibility
- Improved problem-solving approach and development workflow through consistent hands-on work

Cybersecurity Intern (Ethical Hacking) *2025*

iStudio

- Completed Ethical Hacking internship focused on understanding how systems can be tested for vulnerabilities
- Studied how attacks are carried out and how to approach securing applications in a practical way
- Applied basic vulnerability assessment techniques and secure coding practices for web applications
- Gained hands-on experience in real cybersecurity skills beyond theory

PROJECTS

Military Supply Management Portal | *Tech Stack: Python, Django, MySQL*

- Web-based system for managing inventory and supplies for military logistics
- Implemented full CRUD operations and role-based access control for secure data management

Personal Portfolio Website | *Tech Stack: HTML, CSS, JavaScript*

- Responsive website showcasing skills and projects with a clean UI and structured layout

- Optimized for cross-device compatibility and professional presentation

Frontend Mini Projects | *Tech Stack: HTML, CSS, JavaScript*

- Built calculator and landing page projects with a focus on responsiveness and UI consistency

CERTIFICATIONS & ACHIEVEMENTS

- Certificate of Participation – 10x Developer with AI | Saras AI Institute (Jan 22, 2026)
- Certificate of Completion – Web Development Virtual Internship | CodSoft (Jan–Feb 2025)
- Certificate of Internship – Ethical Hacking | iStudio
- Certificate of Participation – Capture The Flag (CTF) Event | ANSH InfoTech at MM University (Feb 17, 2026) – under Skill India, Government of India
- Certificate of Participation – Internal Smart India Hackathon 2025 | CSE Dept., MMEC Mullana (Sep 11–15, 2025) – Ministry of Education & MoE's Innovation Cell
- State-level Handball Player – strong teamwork, discipline, and time management
